

Encaustic Circle Newsletter

Updates from the
Magic World of Encaustic Painting

1. Issue, April 2005
Editor: Thea Haubrich

To this Newsletter:

In October 2004 I started with a series of courses in Encaustic Painting at Leir House, Penticton. Now it is April 2005 and Encaustic is spreading through the Okanagan Valley from Summerland to Osoyoos and even as far as Manitoba!

To give people the opportunity to get together and paint in a relaxed setting I founded the Encaustic Circle. We meet about once a month for 3 hours at Leir House. Everybody brings her/his equipment and we share the rent of the room. It is not a classroom setting; I do not teach specific topics, but of course I will help anybody who has questions regarding Encaustic. Everybody with a basic knowledge of Encaustic is welcome!

If you want to come, please give me a call, so I can plan accordingly.

With this Newsletter I hope to reach many students and I will try to keep you informed on what's on with Encaustic, about new courses or events, what supplies come in and to share pictures and stories.

If you have any suggestions or interesting topics you want to share with us, please e-mail me.

So hope to see you next time!

Happy waxing, Thea

Judy seems to have fun

Leir House, April 6!
